## Area guide with detailed restaurant and shop locations

Welcome to Myoko! We hope you have a great stay, whether you're here for the deep snows or the beauty of the mountains in spring, summer or autumn.

On this side of the guide is an overall view of the area, showing major roads, ski areas and golf courses. The shaded areas are the major resort areas; with most of Myoko's hotels, shops and restaurants; each is shown in greater detail on the reverse side.

Most facilities within one area can be reached on foot; for travel between the areas a bus (during daylight hours), hotel shuttle bus or taxi will be required.
