

# Ninja Kids Ability Levels

## Level 1 - Yellow Ninjas

Current ability: This is my first-time skiing.

Goals: To have fun and develop balance in the snow, to learn about ski equipment and try the magic carpet.

Terrain: Flat area, magic carpet.

## Level 2 - Orange Ninjas

Current ability: I have tried skiing before. I need to practice stopping.

Goals: To learn to stop and change direction.

Terrain: Magic carpet

## Level 3 - Green Ninjas

Current ability: I can stop and change direction.

Goals: To turn both left and right, to learn to ride the chairlift and link turns on an easy green slope.

Terrain: Magic carpet, Holiday/Family chair

## Level 4 - Blue Ninjas

Current ability: I can link turns on a green slope and ride the chairlift safely.

Goals: To ski parallel on green runs and to try more difficult terrain.

Terrain: Holiday/Family chair, challenging green & red runs

## Level 5 - Black Ninjas

Current ability: I can ski parallel on all green and some red runs, and I am confident exploring more challenging terrain.

Goals: To explore the mountain skiing parallel on all terrain, and explore bumps, powder and trees.

Terrain: On and off-piste, green, red, and some black runs
