### Child seat/Booster seat Request

Please be informed that general passenger car transportation business (route bus, charter bus, taxi, hired car) is **exempted from the obligation to use the child seat** as per the Japan Road Traffic Law Enforcement Order No.6 Road Transport Law Article 3 No.1.

We may provide child seat/booster seat if necessary according to customer's request.

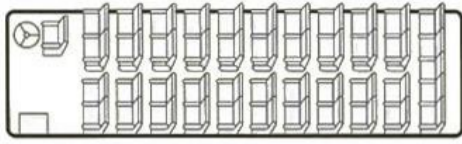

**! Child seat/booster seat can be installed to any car type except COACH.**

! Kindly make a child seat request not less than 1 week before the trip date. In other cases availability is not guaranteed.
