Latest model Vellfire/Alphard (MODEL 40)

HIACE CARGO VAN/CARGO ONLY

Service Information: Luggage & Vehicle Policy

For 1-2 Guests You will travel in a luxury vehicle. Your luggage will be stored inside your vehicle

For 3-4 Guests You will travel in a luxury vehicle. All luggage will be transported separately in a dedicated cargo van. This separate transfer guarantees maximum legroom and comfort during your ride.

It is possible for 1-2 persons to accompany the luggage transported by the cargo van (Hiace)

CARGO ONLY

No Passenger

Welcome staff is not available for private jet use. For more information.

Commencing service between CTS Airport and Niseko

The HiAce Luxury Model transforms every journey into a first-class experience. Designed for those who refuse to compromise on comfort or practicality, it features four independent captain's chairs that offer unparalleled relaxation. Whether for executive transport or exclusive getaways, the exceptionally spacious cabin guarantees a smooth, private ride, while leaving ample room for all your premium luggage.

Sky Station Type of Vehicle

Customers are responsible for any luggage that cannot fit in the car..

On average customers bring more than two pieces of luggage. Ski bags are also getting bigger.

1 suitcase and ski bag※

※ski wear and boots are brought

2 suitcases
